| ZB | 138 | 152 | 182 | 210 | 247 | 268 | 293 | 321 |

Standardised pitch sequence: 100, 125, 160, 200, 250, 320, 400, 500, 630, 800, 1000, 1250, 1600, 2000

Piston pitch and piston rod diameters may be selected outside the typical sequence according to individual customer needs.

AL Piston diameters – 25, 32, 60, 70, 90, 110, 150, 180, 200 – provided upon special customer order.

* oil connections according to PN-64/M-73101

PONAR Luban Sp. z o.o. reserves the right to implement design modifications not affecting cylinder casing.
